

L.P. 37 – Absorption et émission de la lumière

Marchetti Benjamin

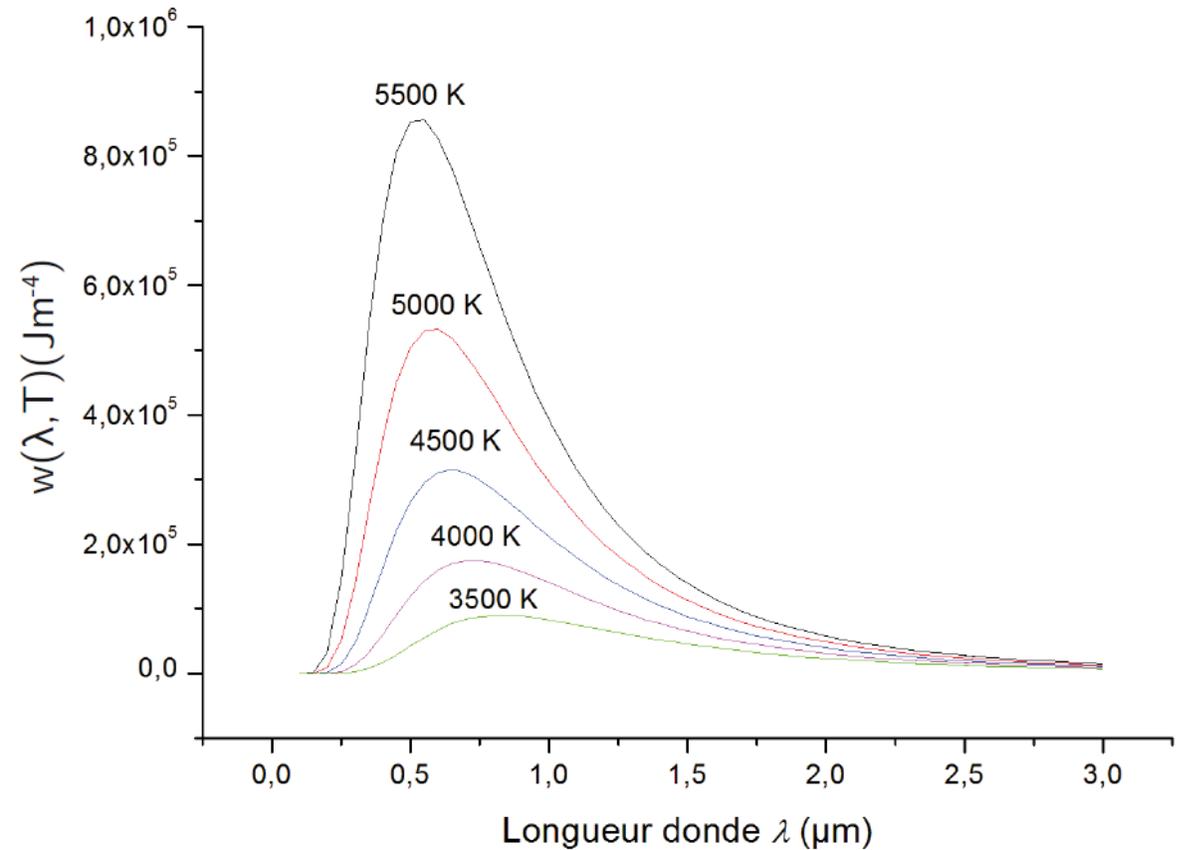

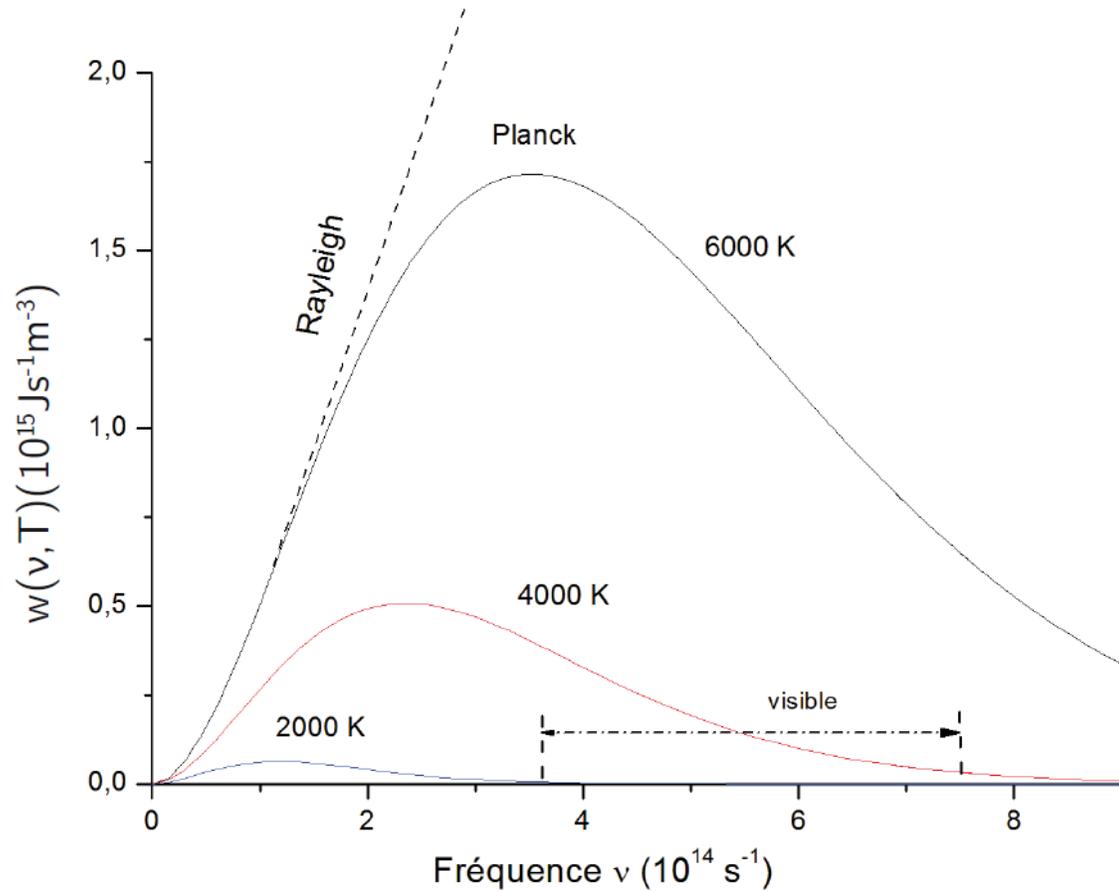

1. Phénomène d'émission

Source thermique

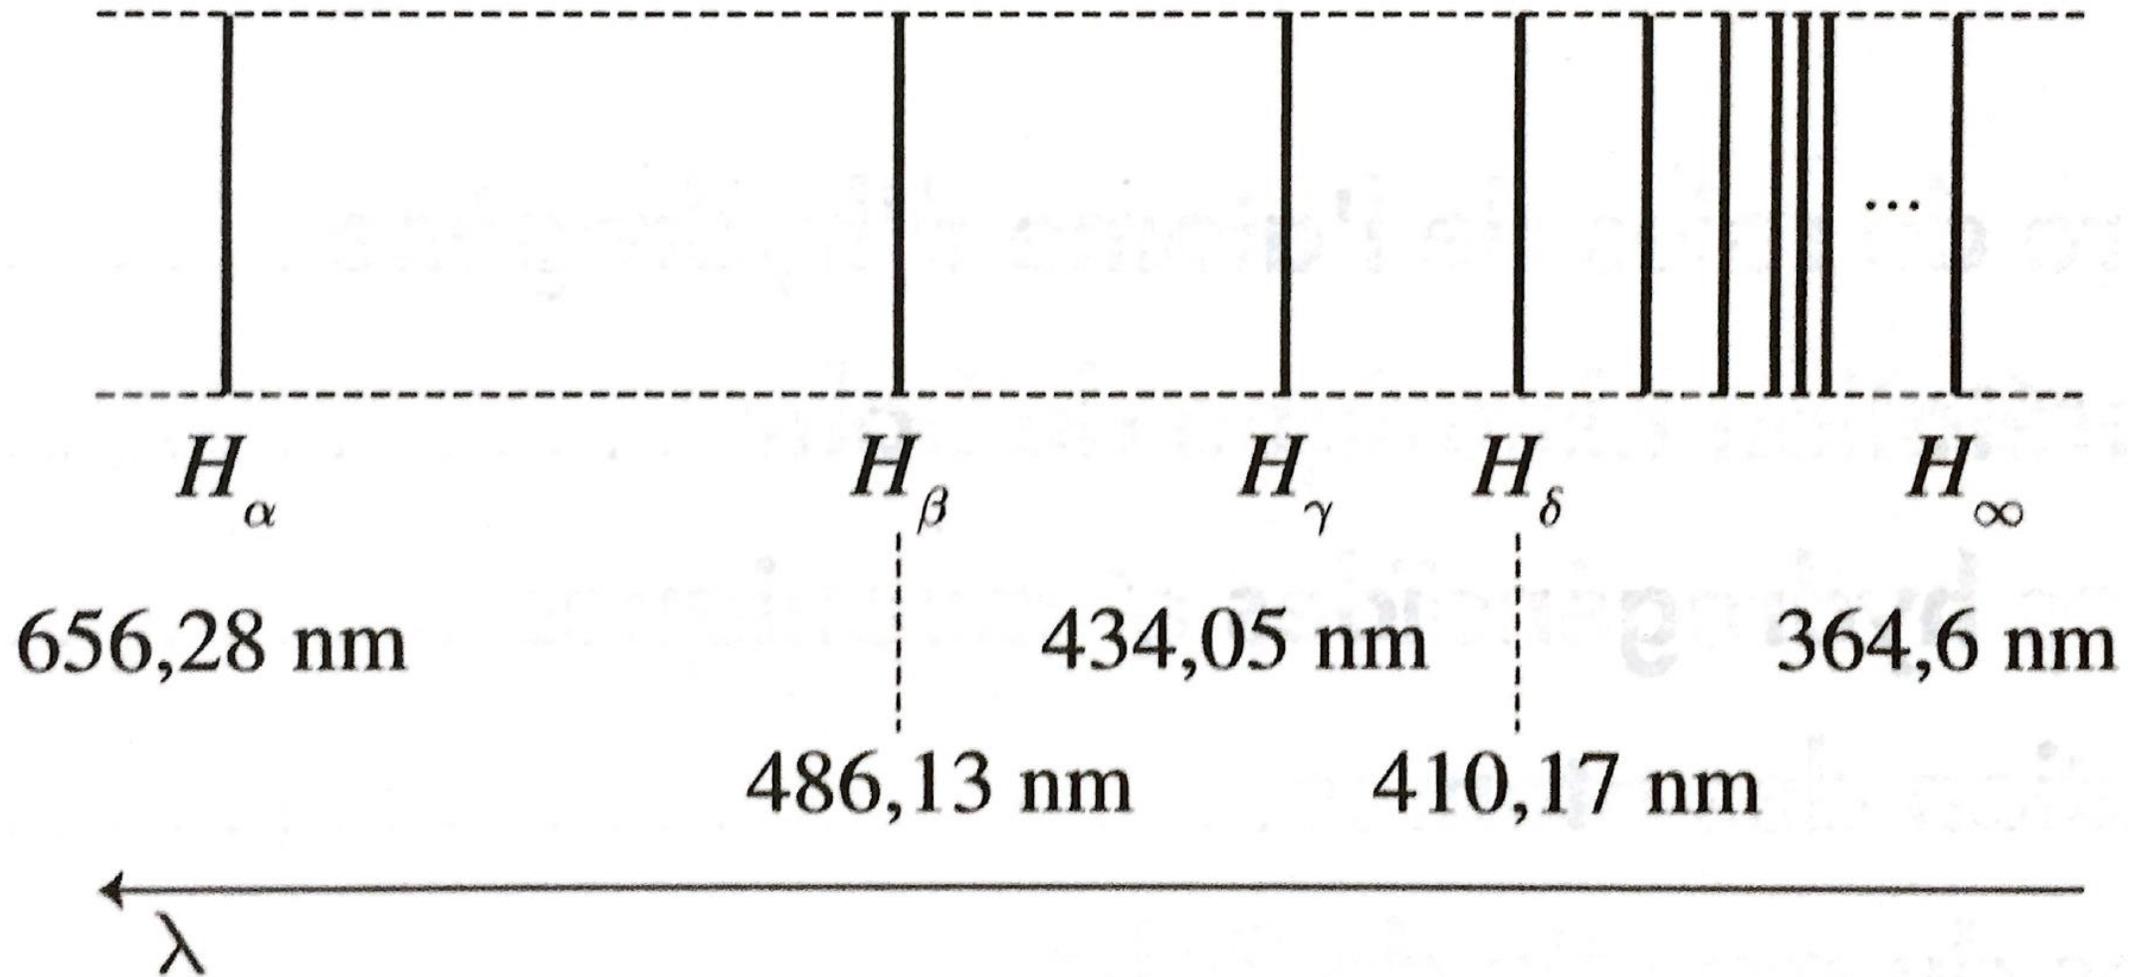

1. Phénomène d'émission

Source thermique

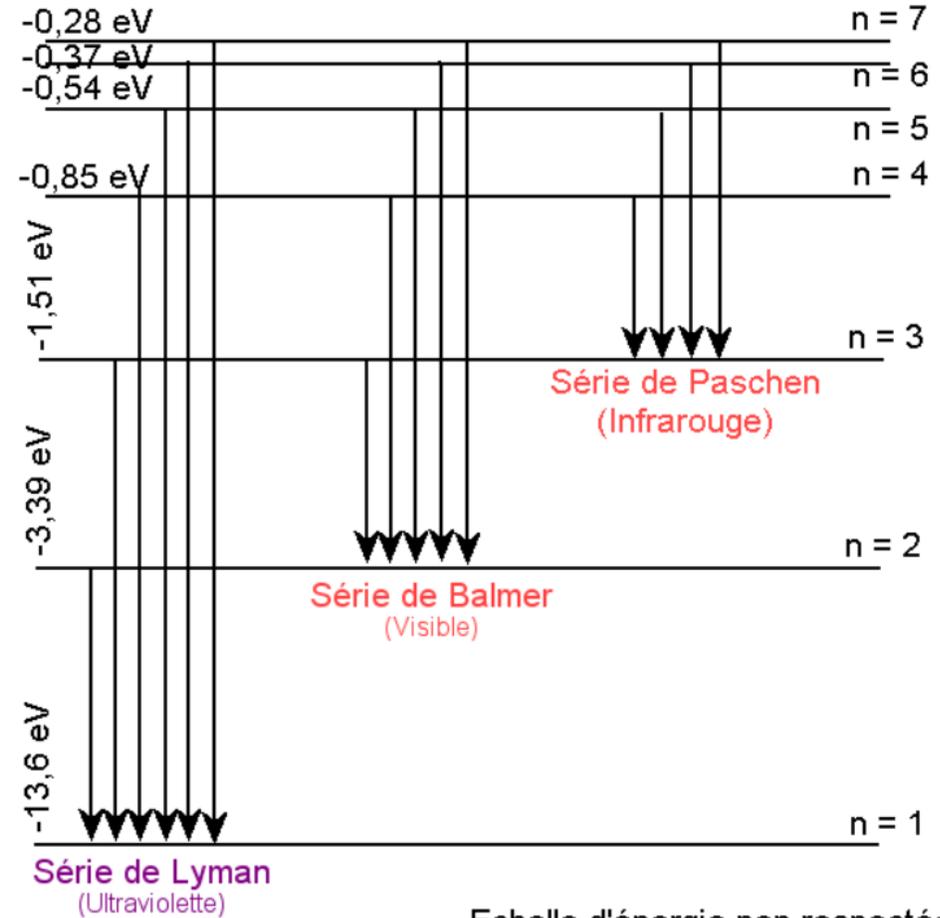

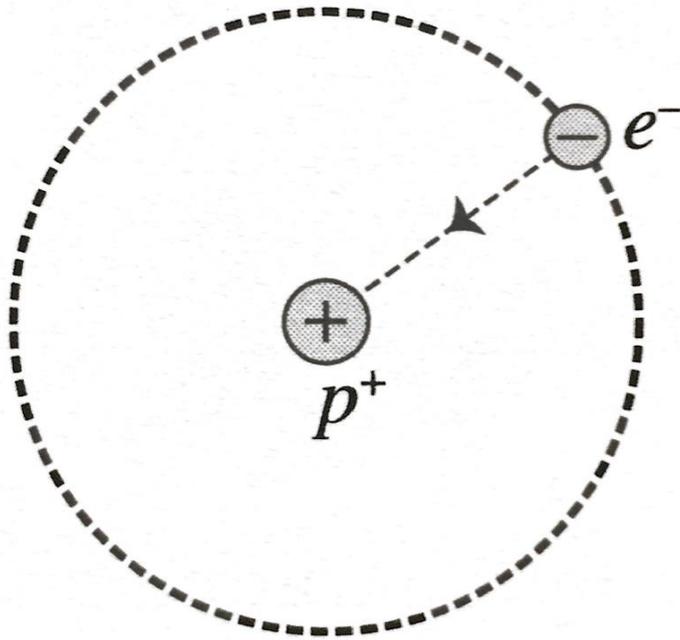

1. Phénomène d'émission

Source spectrale

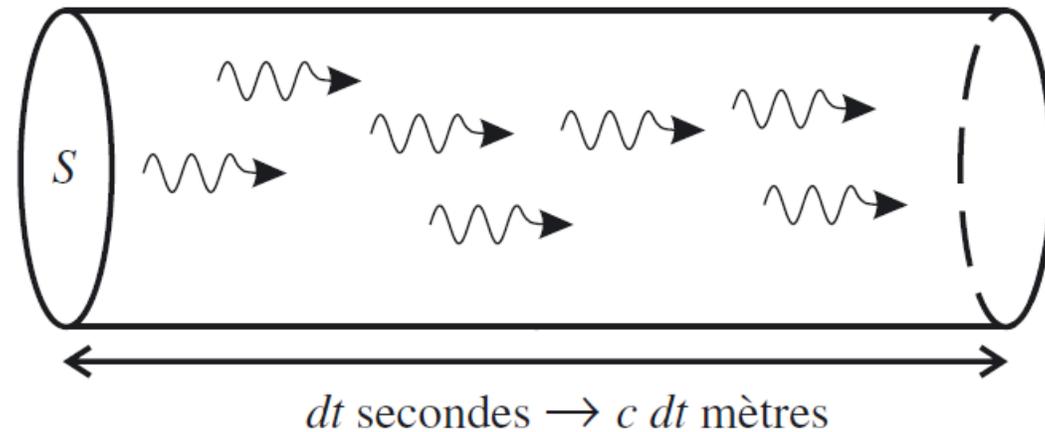

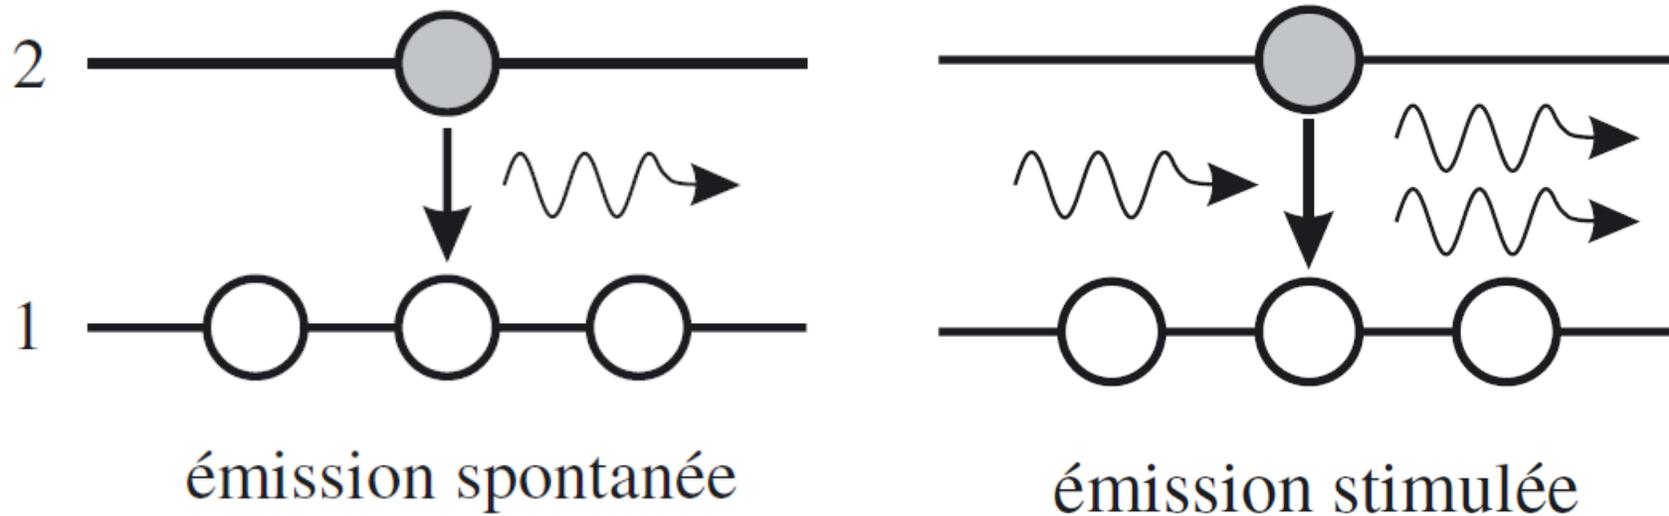

1. Phénomène d'émission Source spectrale

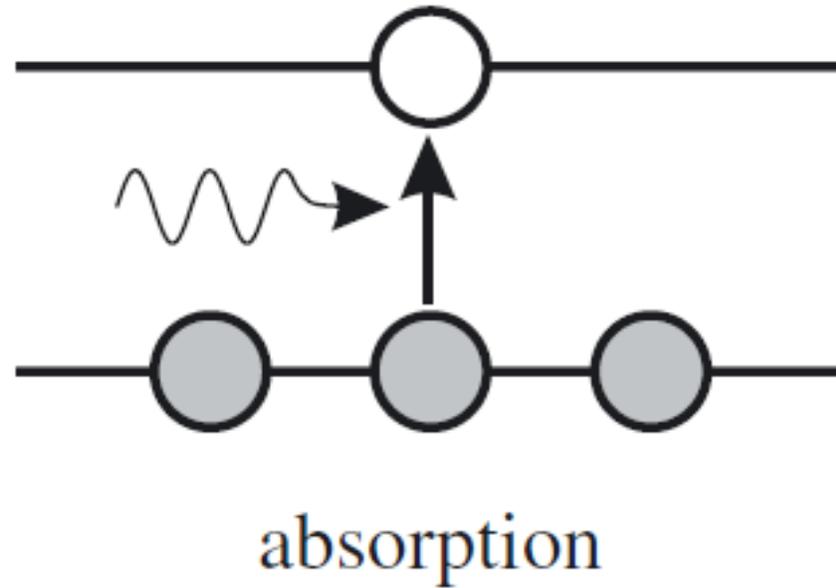

Echelle d'énergie non respectée

1. Phénomène d'émission

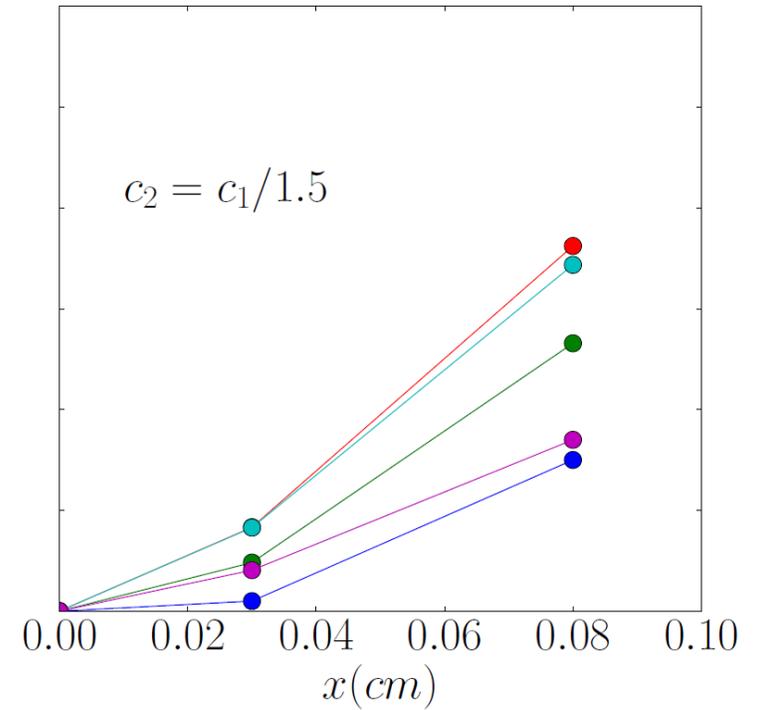

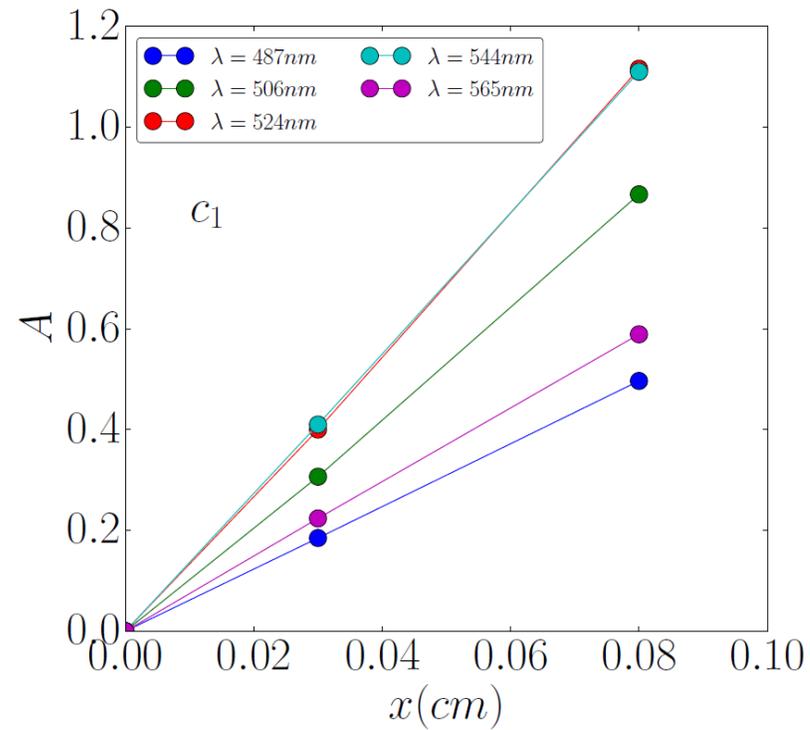

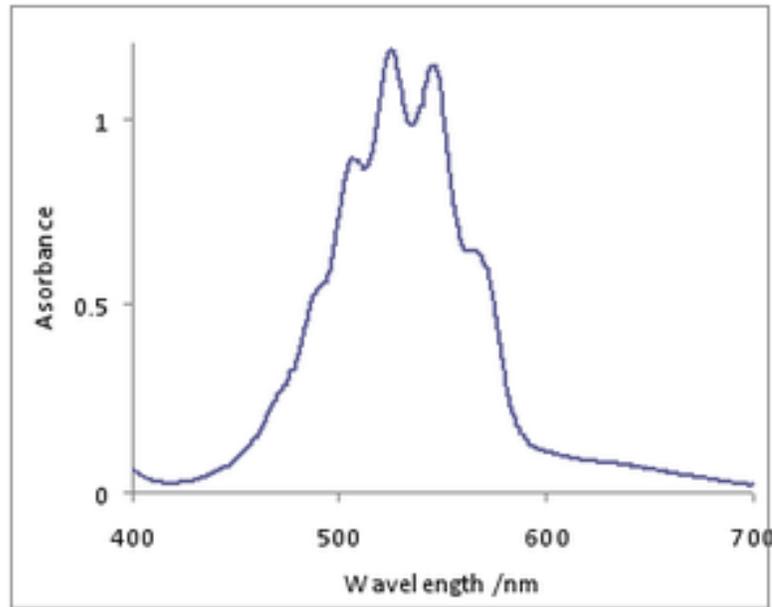

Emission induite et spontanée

2. Phénomène d'absorption

2. Phénomène d'absorption

3. Le laser
